POEM
Feathers
by Donna Ashworth

I sent you a little white feather,
I placed it right there in your way.
I wrapped it in love with a message
To let you know you'll be okay.

I drew you a colourful rainbow,
It followed your car for a while.
I made a spectacular rainbow,
I hoped it would show me your smile.

I flew down a beautiful robin.
It landed right there on your ledge.
I prayed he would give you the strength
To push yourself back from the edge.

I try every day to remind you
That I never did go away.
The feathers, the rainbows, the robins
Are my way of trying to stay.
