A bouquet of purple roses is positioned in the upper right corner of the page. The roses are in various stages of bloom, with some fully open and others as buds. They are set against a light-colored wooden background. The overall aesthetic is soft and elegant.

WELCOME AND OPENING WORDS

POEM

Her Journey's Just Begun

Don't think of her as gone away,
Her journey's just begun.
Life holds so many facets;
This earth is only one.

Just think of her as resting
From the sorrows and the tears,
In a place of warmth and comfort
Where there are no days and years.

Think how she must be wishing
That we could know today,
How nothing but our sadness
Can really pass away.

And think of her as living
In the hearts of those she touched,
For nothing loved is ever lost,
And she was loved so much.

Celebration

written by Valerie (AKA The Boss)

It's a celebration night for me,
I look around and what do I see?
Some of my old friends, and lots of new,
So I would like to say thanks to all of you.

Being here on my special night,
I hope everything has been all right.
At the moment I feel fine,
But age catches up all the time.

Another ten years, I'll be seventy,
So is it a zimmer frame for me?
It won't be just an ordinary one,
You can bet your life it will have something done!

There will be fancy sign writing from my oldest son,
And Paul will get some bodywork done.
Our Daryl, I wonder, what the engine will be?
A turbocharged Cossie just for me!

My John, I'm sure, will do his bit,
And make sure I look after it.
I know they'll do a very good job,
So my first race will be at Santa Pod.

I hope you all come and cheer me on,
You never know, I might reach the ton!
The only thing left to say to you,
Is you are always welcome at 182.

Can't say more, 'cos I'm at a loss,
But I'll say thanks once again, and love from Boss.
