Show Me How

by Foo Fighters

Where have you gone?
Walk in circles, back to square one.
Made it through yesterday,
Spilling wine, thinking of the time.

Wrote you a melody,
Rolling your eyes, held your hand a while.
Need not say anything to me,
Hear you loud and clear.

I'll take care of everything,
From now on.

Where are you now?
Who will show me how?
Where are you now?
Who will show me how?

Wait for the sun,
Say hello, maybe it will come.
You watched the hummingbirds,
Naming every one.

Do you have a minute for me?
If you don't mind, I'll be stopping by.
Count all the little black clouds,
Don't you worry.

I'll take care of everything,
From now on.
