WELCOME WORDS

POEM

Signs

There's a robin on my fence today,
A feather by my feet,
A heart-shaped leaf that blows along
Beside me down the street.

Your song played on the radio
This morning in the car,
And just last night, I could've sworn
I saw a shooting star.

The sun and rain are dancing,
Making rainbows in the sky,
And on the slightest breeze I watch
A butterfly go by.

And people might say these are not
The signs I know they are,
That it is just coincidence
Your song played in the car.

That it is just the sky,
And it is just the birds and breeze,
A little windy weather
And the nature of the trees.

But there is nothing little
About the way they make me feel:
The sense of peace they carry
Is both comforting and real.

Because it's just one song,
And just one butterfly and bird,
Just one star and just one leaf
In one enormous world.

And so the probability
Of noticing it all,
Is close to nearly nothing,
Almost infinitely small.

And that is how I know
That when that leaf floats into view,
It isn't a coincidence,
But a sign of love from you.

So keep on shooting stars to me,
Keep playing me your song,
Whilst you dance atop the rainbows
And blow heart-shaped leaves along.

Yes, keep on sending signs, my love,
I'll always look around,
For your butterflies on breezes
And your feathers on the ground.

FAREWELL TO SUSAN

Committal

THE LORD'S PRAYER

Our Father, who art in heaven,
hallowed be Thy name;
Thy Kingdom come;
Thy will be done,
on earth as it is in heaven.
Give us this day our daily bread.
And forgive us our trespasses,
as we forgive those who trespass against us.
And lead us not into temptation,
but deliver us from evil.
For Thine is the Kingdom,
the power and the glory,
for ever and ever.
Amen.

CLOSING WORDS

POEM

Remember Me

Speak of me as you have always done.
Remember the good times, laughter, and fun.
Share the happy memories we've made,
Do not let them wither or fade.
I'll be with you in the summer's sun
And when the winter's chill has come.

I'll be the voice that whispers in the breeze,
I'm peaceful now, put your mind at ease.
I've rested my eyes and gone to sleep,
But memories we've shared are yours to keep.
Sometimes our final days may be a test,
But remember me when I was at my best.

Although things may not be the same,
Don't be afraid to use my name.
Let your sorrow last for just a while,
Comfort each other and try to smile.
I've lived a life filled with joy and fun:
Live on now, make me proud of what you'll become.
