## *Love Is A Many-Splendored Thing*

The Four Aces (1951)

Love is a many-splendored thing,  
It's the April rose that only grows in the early spring;  
Love is nature's way of giving a reason to be living,  
The golden crown that makes a man a king.

Once, on a high and windy hill, in the morning mist,  
Two lovers kissed and the world stood still.  
Then your fingers touched my silent heart and taught it how to sing:  
Yes, true love's a many-splendored thing.

*This song is taken from Christine's "Book of Favourite Songs",  
handmade by her during her teenage years.*
