Words of Welcome

Poem

'Pardon Me For Not Getting Up' – Kelly Roper

Oh dear, if you're reading this right now,
I must have given up the ghost.
I hope you can forgive me for being
Such a stiff and unwelcoming host.

Just talk amongst yourself my friends,
And share a toast or two.
For I am sure you will remember well
How I loved to drink with you.

Don't worry about mourning me,
I was never easy to offend.
Feel free to share a story at my expense
And we'll have a good laugh at the end.

Music

'Ev'ry Time We Say Goodbye' – Ella Fitzgerald

Poem

'Smiling is Infectious' – Spike Milligan

Smiling is infectious, you catch it like the flu,
When someone smiled at me today, I started smiling too.

I passed around the corner and someone saw my grin.
When he smiled I realised I'd passed it on to him.

I thought about that smile, then I realised its worth.
A single smile, just like mine could travel round the earth.

So, if you feel a smile begin, don't leave it undetected.
Let's start an epidemic quick, and get the world infected!
