Magic Of Love
by Helen Steiner Rice

Love is like Magic and it always will be,
For Love still remains Life's Sweet Mystery!
Love works in ways that are wondrous and strange
And there's Nothing in Life that Love cannot change!
Love can transform the most common place
Into beauty and splendour and sweetness and grace!
Love is unselfish, understanding and kind,
For it sees with its Heart and not with its Mind
Love gives and forgives, there is nothing too much
For Love to heal with its Magic Touch!
Love is the language that every heart speaks,
For Love is the one thing that every heart seeks!

Poem

Footprints In The Sand

One night I dreamed a dream.
As I was walking along the beach with my Lord,
Across the dark sky flashed scenes from my life.
For each scene, I noticed two sets of footprints in the sand,
One belonging to me and the other to my Lord.

After the last scene of my life flashed before me,
I looked back at the footprints in the sand.
I noticed that many times along the path of my life,
Especially at the very lowest and saddest times,
There was only one set of footprints.

This really troubled me, so I asked the Lord about it.
'Lord, you said once I decided to follow you,
You'd walk with me all the way.
But I noticed that during the saddest and most troublesome times of my life,
There was only one set of footprints.
I don't understand why, when I needed You most,
You would leave me.'

He whispered, 'My precious child,
I love you and will never leave you,
Never, ever, during your trials and testings.
When you saw only one set of footprints,
It was then that I carried you.'
