To Jen/Jenny Bean

You were first our client, but forever our friend,  
Always there with a hand to lend.  
Your battles weren't easy, they were heavy and long,  
But you still gave a smile to show you were strong.  
We just want to tell you, even shout it out loud,  
And tell you that we are so very proud.  
Proud of all of the times that you stayed strong,  
Even when the days felt so long.  
We promised we'd be there until the end  
Because you were first our client, but forever our friend.

We love you, Jen.  
Love from Kerry and Stacey,  
Heart Warming Care Services.

*Poem*  
Afterglow

I'd like the memory of me to be a happy one.  
I'd like to leave an afterglow of smiles when life is done.  
I'd like to leave an echo, whispering softly down the ways,  
Of happy times, and laughing times, and bright and sunny days.  
I'd like tears of those who grieve to dry before the sun  
Of happy memories that I leave when life is done.

*Welcome*

*Poem*

Feel No Guilt In Laughter

Feel no guilt in laughter, she'd know how much you care.  
Feel no sorrow in a smile that she is not here to share.  
You cannot grieve forever; she would not want you to.  
She'd hope that you could carry on the way you always do.  
So talk about the good times and the way you showed you cared,  
The days you spent together, all the happiness you shared.

Let memories surround you. A word someone may say  
Will suddenly recapture a time, an hour, a day,  
That brings her back as clearly as though she were still here,  
And fills you with the feeling that she is always near.  
For if you keep those moments, you will never be apart  
And she will live forever, locked safely within your heart.

*Farewell*
