Poem

The Moment That You Left Me

By Doug Craven

The moment that you left me
My heart split in two
One side filled with memories
The other side died with you

I often lay awake at night
When the world is fast asleep
and take a walk down memory lane
With tears upon my cheek

Remembering you is easy
I do it everyday
But missing you is a heartache
That never goes away

I hold you tightly within my heart
And there you will remain
As my life goes on without you
But will never be the same.
