### It's The Little Things That Matter by Claire L. Wood

It's the little things that matter and they matter quite a lot,  
Not how much a person earned or what a person's got,  
It's not what a person's worth or where a person lives,  
But what a person does and the love a person gives.

It's the little things that matter and what we leave behind,  
Not wealth, fortune or money, or treasures of any kind,  
It's not to do with heroics, or even being smart,  
It's how a person made you feel deep within your heart.

It's the little things that matter and the imprint that they leave,  
Not how many people cared or how many came to grieve,  
It's the memories they leave in the minds of those who really cared,  
It's the little things, the happy times, the moments that we shared.

It's the little things that matter and the love you shared for us,  
The tiny little gestures and how you'd make a fuss,  
It's the little things that matter and they matter quite a lot  
And it's the little things we'll treasure, it's the little things we've got.

THE LORD'S PRAYER  
Our Father, who art in heaven,  
Hallowed be Thy name;  
Thy Kingdom come;  
Thy will be done,  
On earth as it is in heaven.  
Give us this day our daily bread.  
And forgive us our trespasses,  
As we forgive those who trespass against us.  
And lead us not into temptation,  
But deliver us from evil.  
For Thine is the Kingdom,  
The power and the glory,  
For ever and ever.  
Amen.
