POEM

Know She Lives On In You

written by Dr Naomi Hoogesteger

read by Peter

A mother is but on loan from life
To her sons to guide them through good and strife.
A fleeting existence in earth's long time,
The chapter shorter still where your lives entwined.
But Peter, Jamie, know she lives on in you;
In every way you act, and in what you do.
I am honoured to have known your mum,
Not first hand, but through knowing you.
You are kind and funny and an inspiration,
No doubt it was your mum who gave you this foundation.
The hole in your life from now will always be,
But as time marches on, you will become more free
From the feelings of sadness and possibly guilt,
Where memories of happy times will be rebuilt.

HYMN

Come down, O love divine, seek Thou this soul of mine,
And visit it with Thine own ardour glowing.
O Comforter, draw near, within my heart appear,
And kindle it, Thy holy flame bestowing.

O let it freely burn, 'til earthly passions turn
To dust and ashes in its heat consuming;
And let Thy glorious light shine ever on my sight,
And clothe me round, the while my path illuming.

And so the yearning strong, with which the soul will long,
Shall far outpass the power of human telling;
For none can guess its grace, till he become the place
Wherein the Holy Spirit makes His dwelling.
