## Poem

### Four Candles

The first candle represents our grief.  
The pain of losing you is intense.  
It reminds us of the depth of our love for you.

The second candle represents our courage  
To confront our sorrow,  
To comfort each other,  
To change our lives.

The third candle we light in your memory,  
For the times we laughed,  
The times we cried,  
The times we were angry with each other,  
The silly things you did,  
The caring and joy you gave us.

The fourth candle we light for our love.  
We light this candle that your light will always shine  
As we enter this sad time and share this day of  
Remembrance with family and friends.  
We cherish the special place in our hearts  
That will always be reserved for you.  
We thank you for the gift  
Your living brought to each of us.

### **Closing Words**

#### **Poem**

Afterglow

I'd like the memory of me to be a happy one.  
I'd like to leave an afterglow of smiles when life is done.  
I'd like to leave an echo, whispering softly down the ways,  
Of happy times, and laughing times, and bright and sunny days.  
I'd like tears of those who grieve to dry before the sun  
Of happy memories that I leave when life is done.
