Afterglow

I'd like the memory of me to be a happy one.  
I'd like to leave an afterglow of smiles when life is done.  
I'd like to leave an echo, whispering softly down the ways,  
Of happy times and laughing times and bright and sunny days.  
I'd like the tears of those who grieve to dry before the sun  
Of happy memories that I leave when life is done.

## *Poem*

### Feel No Guilt In Laughter

Feel no guilt in laughter, she knows how much you care,  
Feel no sorrow in a smile that she's not there to share.  
You cannot grieve forever, she wouldn't want you to,  
She'd hope that you would carry on, the way you always do.  
So talk about the good times and the way you showed you cared,  
The days you spent together, all the happiness you shared.

Let memories surround you, a word someone may say  
Will suddenly recapture a time, an hour, a day,  
That brings her back as clearly as though she still were here  
And fills you with the feeling that she is always near.  
For if you keep those moments you will never be apart  
And she will live forever, locked safe within your heart.
