*Poem*  
Reunion

This short, comforting poem  
Honours the journey of passing  
While framing it as a joyful  
Reunion with a beloved wife.

The breath escapes, the journey ends,  
But darkness is a myth;  
For just beyond the quiet veil,  
My waiting love stands with.

The final step is but a spark,  
A bridge across the sea,  
Where she is standing in the light  
Exactly where I'm meant to be.
