### POEM

If You're Wondering

Catherine Prutton

If you're wondering where to find me, I'll tell you where I'll be  
I'm on the near horizon, where sky falls to meet the sea.  
I'm on the edges of your dreams and in the whisper of the trees  
On the wings of butterflies, and ladybirds and bees.  
Close enough to almost touch but slightly out of reach  
I'm in the gentle breeze that softly rolls along the beach  
I'm in the moon and in the stars, but never far away  
I'm tucked inside your heart and there I'll always stay.
