WORDS OF WELCOME

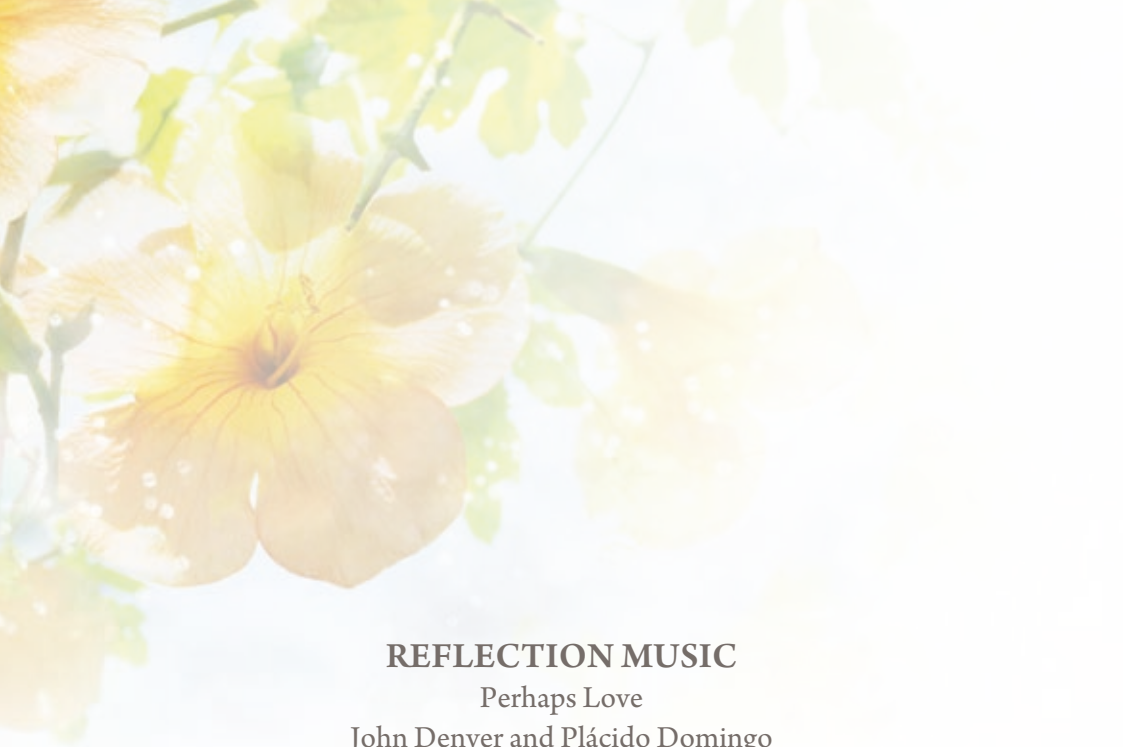

POEM

Ever With You

Rest peacefully as I do,
Wake not with sorrow's pain
And with the morning's rising sun,
Remember me once again.
Keep the moments when we laughed together,
When we danced into the night.
Dwell not upon the darker times,
Savour times when I shone bright.
For I am with you in a memory,
Be it physical or thought.
May you cherish them as I did,
Let them ease you in times fraught.
So speak my name and smile fondly,
Share in tales of warmth, love and laughter.
I've been with you in this precious life,
Know I'm ever with you after.
