Poem for a Wonderful Daughter

Read by Joan

They say there is a reason
They say that time will heal
But neither time nor reason
Will change the way I feel
For no-one knows the heartache
That lies behind our smiles
No-one knows how many times
We have broken down and cried
We want to tell you something
So there won't be any doubt
You're so wonderful to think of
But so hard to be without you

Lasting Memories of Hayley

Remembering Hayley

Although I can no longer be there with you
There will always be reminders and memories that will forever remain

So, as you listen to some of the Take That classics that I loved,
sing along and remember me

When you hear the theme tunes to all the soaps that I would never miss,
remember me

If you ever admire some fabulous and colourful Irregular Choice shoes,
then smile and remember me

Remember me in your thoughts and your memories

Remember all those lovely times we shared

For if you think of me, I will always be with you
