A serene sunset over a beach. The sun is low on the horizon, casting a warm, golden glow across the sky and the water. The sky is filled with soft, white and pinkish clouds. The ocean waves are breaking gently onto the sandy shore, creating a rhythmic pattern of white foam and blue-green water. The sand in the foreground is smooth and light-colored, with some faint tracks or patterns visible.

REMEMBERING JACKIE

A sunset over a beach with waves crashing on the shore. The sky is filled with soft, golden light and scattered clouds. The sun is low on the horizon, creating a warm glow over the water and sand. The waves are breaking gently onto the beach, with white foam visible. The overall mood is peaceful and nostalgic.

POEM  
She Is Gone

You can shed tears that she is gone,  
Or you can smile because she has lived.

You can close your eyes and pray that she will come back,  
Or you can open your eyes and see all that she has left.

Your heart can be empty because you can't see her,  
Or you can be full of the love that you shared.

You can turn your back on tomorrow and live yesterday,  
Or you can be happy for tomorrow because of yesterday.

You can remember her and only that she is gone,  
Or you can cherish her memory and let it live on.

You can cry and close your mind, be empty and turn your back,  
Or you can do what she would want: smile, open your eyes, love and go on.
