HYMN

*All things bright and beautiful,
All creatures great and small,
All things wise and wonderful
The Lord God made them all.*

Each little flower that opens,
Each little bird that sings,
He made their glowing colours,
He made their tiny wings:
All things bright and beautiful...

The purple headed mountain,
The river running by,
The sunset and the morning
That brightens up the sky:
All things bright and beautiful...

The cold wind in the winter,
The pleasant summer sun,
The ripe fruits in the garden,
He made them every one:
All things bright and beautiful...

He gave us eyes to see them,
And lips that we might tell
How great is God Almighty,
Who has made all things well:

*All things bright and beautiful,
All creatures great and small,
All things wise and wonderful
The Lord God made them all.*

POEMS FOR DAD AND GRANDAD

Dad

Those we love don't go away
They walk beside us every day
Unseen unheard but always near
Still loved, still missed and very dear

Grandad

When God created Grandads,
He had things in mind,
He had to be warm and strong,
And funny, smart and kind,
And brave and understanding too,
All of those things combined
Of all of the Grandads in great earth
I feel so blessed that you were mine

EULOGY

HYMN

Onward, Christian soldiers, marching as to war,
With the cross of Jesus going on before.
Christ the royal Master leads against the foe;
Forward into battle, see his banners go!

*Onward, Christian soldiers, marching as to war,
With the cross of Jesus going on before!*

ADDRESS

PRAYERS

THE LORD'S PRAYER

Our Father, who art in heaven,
hallowed be Thy name;
Thy Kingdom come;
Thy will be done,
on earth as it is in heaven.
Give us this day our daily bread.
And forgive us our trespasses,
as we forgive those who trespass against us.
And lead us not into temptation,
but deliver us from evil.
For Thine is the Kingdom,
the power and the glory,
for ever and ever.
Amen.

TRIBUTES

Jake, Luke and Holly (Great Grandchildren)

Thank you for showing us how to live a life fulfilled, for showing us the way to a healthy happy marriage, for showing us how to laugh, for showing us every single cowboy show ever created, and thank you for always being your witty, caring self.

When we put a cap on we will think of you grandad, until next time.

Love

Jake, Luke and Holly

Hayley (Granddaughter)

Always eat the best bits 1st as you never know what will happen . The greatest bit of life advice , it's not always about the food but more about doing what makes you happy. Thank you for being the best role model and thank you for all the support you gave me with my children. Will love you forever Gangan

Katey (Great Granddaughter)

Great grandad, the most amazing grandad anyone could ask for. You were loving, gentle, and so caring, an incredible man and an even more incredible grandad to us all. I will always remember what a true gentleman you were and how kind you were to everyone around you. I am so proud to call you my grandad.

I loved our Sundays together, knowing there would always be laughter and your beautiful, contagious smile. Whether it was Sunday dinner at mama's house with far too much salt, pepper, and mint sauce, or listening to you talk about the war, I treasured every moment with you. I have so many precious memories that I will cherish forever.

I love you so much, grandad. I know you'll be laughing with great mama now and looking after all those babies. Love you always. Love, our Kate x

Kristy (Granddaughter)

Grandad, you meant more to me than words could ever fully express. I always knew how deeply you loved me and my family, Neil, William, and Imogen and I hope you knew just how much we loved you in return. Some of my happiest memories are the simplest ones: sitting in front of the fire while you gently brushed my hair after a bath, climbing up your legs while holding your hands, and setting off together on Sunday afternoon walks, exploring and talking along the way. Those moments shaped my childhood and filled it with warmth, laughter, and safety.

I will treasure these memories forever. Although saying goodbye is incredibly hard, I find peace knowing you are now reunited with mamma, together again, just as you should be.

Lisa and Paul (Grandchildren)

Grandad we will forever have chocolate for breakfast because you said you don't want that muck (whatever mamas had made) catering packs of chocolates was the way to go! Always there with a joke or a story and of course the treats.

Love Lisa and Paul
