A bouquet of yellow roses is shown in the background, resting on a light-colored wooden surface. The roses are in various stages of bloom, with some fully open and others as buds. The lighting is soft, creating a gentle and serene atmosphere.

WELCOME AND OPENING WORDS

POEM At Rest

Think of me as one at rest,
For me you should not weep.
I have no pain, no troubled thoughts,
For I am just asleep.
The living, thinking me that was
Is now forever still,
And life goes on without me now,
As time forever will.

If your heart is heavy now
Because I've gone away,
Dwell not long upon it, friend,
For none of us can stay.
Those of you who liked me,
I sincerely thank you all,
And those of you who loved me,
I thank you most of all.

And in my fleeting lifespan,
As time went rushing by,
I found some time to hesitate,
To laugh, to love, to cry.
Matters it now if time began,
If time will ever cease?
I was here, I used it all,
And now I am at peace.

CLOSING WORDS

POEM

I'm There Inside Your Heart

Right now I'm in a different place
And though we seem apart,
I'm closer than I ever was,
I'm there inside your heart.

I'm with you when you greet each day
And while the sun shines bright,
I'm there to share the sunsets, too,
I'm with you every night.

I'm with you when the times are good,
To share a laugh or two,
And if a tear should start to fall,
I'll still be there for you.

And when that day arrives
That we no longer are apart,
I'll smile and hold you close to me,
Forever in my heart.
