Lasting Memories of Pat

Poem

'I'm There Inside Your Heart'

Right now, I'm in a different place
And though we seem far apart
I'm closer than I ever was....
I'm there inside your heart

I'm with you when you grieve each day
And when the sun shines bright
I'm there to share the sunsets too...
I'm with you every night

I'm with you when the times are good
To share a laugh or two
And if a tear should start to fall...
I'll still be there for you

And when the day arrives
That we no longer are apart
I'll smile and hold you close to me...
Forever in my heart
