A serene sunset over a beach. The sun is low on the horizon, casting a warm, golden glow across the sky and the water. The waves are gentle, with white foam washing onto the sandy shore. The overall mood is peaceful and contemplative.

WELCOME AND OPENING WORDS

POEM

Miss Me - But Let Me Go

When I come to the end of the road
And the sun has set for me,
I want no rites in a gloom-filled room;
Why cry for a soul set free?

For this is a journey that we all must take
And all must go alone.
It is all part of nature's plan,
A step on the road to home.

Miss me a little, but not too long
And not with your head bowed low.
Remember the love that we once shared;
Miss me, but let me go.
