## When We Lose A Loved One

When we lose a loved one Our world just falls apart We think that we cant carry on With this broken heart Everything is different now You're upset and you're annoyed Your world it seems is shattered There's such an awful void There's got to be a reason And we have to understand God made us and at any time Hell reach down for our hand There might not be a warning We won't know where or when The only thing were certain of Is well meet them once again.
